Wed		Assembly								History / Geography		History / Geography
Thur		Collective Worship								PE		Music
Fri		Assembly								PE		Computing

PE Days are X and X

Home Learning

We love working together with you to grow confident, happy readers! Here is a quick guide to what you will find in your child's reading folder:

Daily Reading Routine

- **Folders in School:** Please ensure your child brings their reading folder to school every day.
- **Phonics Books (Read Write Inc.):** If your child is on the RWI programme, their books are changed weekly, provided they have been reading at home.
- **Top Tip:** We encourage children to re-read the same book at least 3 times to build brilliant reading speed and understanding!
- **Library Day:** Every Monday, we visit the school lending library where your child can choose a book of their choice to enjoy for pleasure at home.

High Frequency Words

- Your child will bring home a small set of High Frequency Words to practice. We review these regularly in school and will send home a new set as soon as your child can confidently recognize and read them.

Phonics QR Codes & Screening Check

- **Fortnightly QR Codes:** Sent home for children on the RWI programme, these give you quick access to fun digital home learning that supports their phonics development.
- **Phonics Screening Check:** Leading up to the national Year 1 Phonics Screening Check, we will send home extra, tailored resources to help your child practice and feel confident for the upcoming quiz.
